

“Dryden Renewable Energy
Workgroup”
Meeting no. 3

Are you concerned about the cost of energy for
your home this winter?

Do you want to work on developing renewable
energy solutions for Dryden’s public
institutions? Institutions that you support with
your tax dollars?

Do you want to help Dryden
become a leader in development of
renewable energy?

Tuesday, August 19th, 7:30pm
Varna Community Center
